### Septic Inspection / Tank Pumping Authorization Form

As per PSMA standards in order to complete a septic inspection the septic tanks will need to be pumped. This allows the tanks interior, including the inlet & outlet baffles, to be visually inspected below the waterline.

Please fill out the form completely and accept the terms as stated below. If you have any questions please contact our office.

2018 Pumping fees: 1000g \$235 1250-1500g \$255 1750g \$275  
Gallons over 1750g will be charged an additional .15/g  
Digging fees (per lid) on average \$45 / 12"
